By this petition, the petitioners have challenged the order dated 29th May, 2006 passed by the Director of Marketing, Government of Maharashtra. The order impugned is obviously is an interim order whereby it is directed that the questions raised by the application would be decided after hearing both sides, which would mean that the question as to whether the authority has jurisdiction or not, will also be considered and decided after hearing both sides. Such being the position, we see no reason to entertain this petition. It is accordingly disposed of.
